PETITIONING THE COURT

☒ To issue a warrant

The probation officer believes that the person under supervision has violated the following condition of supervision:

Violation Number

Standard Condition #13: You must follow the instructions of the probation officer related to the conditions of supervision.

Nature of Noncompliance

On Thursday, October 3, 2024, as a last attempt at making contact with him, an appointment letter was dropped off at Zeno's residence, with reporting instructions for Monday, October 7, 2024. Zeno did not report as directed or contact probation.

Violation Number

Special Condition #1: The defendant shall participate as instructed by the U.S. Pronation officer in a program approved by the probation office for treatment of narcotic addiction, drug dependency, or substance abuse, which may include testing to determine if defendant has reverted to the use of drugs or alcohol. The defendant shall also abstain from the use of alcohol and/or other intoxicants during the term of supervision. Defendant must contribute towards the cost of any programs, to the extent defendant is financially able to do so, as determined by the U.S. Probation Officer. In addition to urinalysis testing that may be a part of a formal drug treatment program, the defendant shall submit up to eight (8) urinalysis test per month.

Nature of Noncompliance

On July 16, 2024, Zeno submitted a drug screen which was positive for marijuana, and he admitted to using marijuana during the holiday weekend.

On August 18, 2024, Zeno submitted a drug screen which was positive for methamphetamine and alcohol.

U.S. Probation Officer Recommendation: Zeno has not contacted or reported to probation in the last two weeks despite attempting to see him at home and leaving numerous voicemails. His whereabouts are unknown.

Zeno is pending a supervised release violation hearing on November 7, 2024, and there is already a status conference set for October 9, 2024, to address Zeno's substance use. However, as Zeno appears to have absconded supervision, we are requesting cancelation of the status conference and the issuance of a warrant.

Based on the above allegations, probable cause has been established that a violation of supervised release has been committed. It is recommended the Court order the issuance of a Warrant and Order to Show cause why defendant's term of supervised release should not be revoked.

I declare under penalty of perjury that the foregoing is true and correct.
